Scan QR to claim or visit our website

Personal Travel Plan

Need to get from A to B?

Claim a FREE PTP!

We will investigate your travel options, such as walking, cycling, public transport, car-sharing and car clubs (where applicable) and compare the impact of each mode!

Each travel mode analysed by the PTP will show you:

- ◇ Health impact
- ◇ Journey distance
- ◇ Duration of journey
- ◇ Estimated CO₂e for each mode

Welcome to the Kingley Grove Spring Newsletter

Dear residents,

On behalf of Hopkins Homes, we hope you find the information enclosed useful. Please do contact us if you have any travel queries.

Safe Travels,
The Smarter Travel Team

Walking & Cycling

Health experts recommend at least 30-mins of activity per day, to keep you fighting fit, both physically and mentally - why not take a walk on your lunch break?

Earn points for walking with the Sweatcoin app - spend on 1000s of brands or donate to charity!

Call 01763 247911 to get your bike serviced / repaired at CycleLife in Royston, a 23-min ride from home.

Liftshare & Electric Vehicles

Car Sharing

Share your ride to Cambridge and you could save £464 per year, or Luton for £1,021 per year!* Sharing with one other person cuts fuel costs by 50%!

*Based on 5 days per week (Liftshare, 2024)

Electric Vehicles (EV)

EVs are tax free until April 2025!
People travel an average 127 miles per week but 1 charge averages 211 miles!
Closest charging point: The Dolphin Pub, a 3-min drive from home.
